## *Shine Your Way*

### **Opener:**

Sides Face, Grand Square.

Just before the dawn, when the light's still gone,

Shine, shine your way.

And you may not know where to go. Shine, shine your way. Allemande and Weave.

Open road, but it's still dark. Build a fire from a spark.

And shine, shine your way.

Feed the feeling in your heart. Don't conceal it, then you'll start,

To find, find your way.

### **Figure:**

Heads (Sides) Promenade half way around, walking, Square Thru 4.

Go all the way and do a Right and Left Thru, turn your girl.

Veer Left, now Ferris Wheel, Square Thru 3/4.

Swing your corner girl and Promenade today.

Shine, shine, shine. Shine your way.

### **Middle:**

Sides Face, Grand Square.

There's an open sky, and a reason why.

You shine, shine your way.

There's so much to learn, and now it's your turn.

To shine, shine your way (Allemande Left and Weave).

There's a feeling deep inside, you can let it be your guide.

To find, find your way.

And there's no time for us to waste, got to take a leap of faith.

And fly, fly away.

### **Closer:**

Sides Face, Grand Square.

Now I can see, you are the one.

Sent here to show me the way.

All of your tears will dry faster in the sun,

Starting to day.

Allemande Left the corner and Weave the ring.

Shine your way, (that's what we say).

Shine, shine, shine. Shine your way.
