Never Can Say Goodbye

OPENER

Four ladies gonna promenade a one time around
Come back and swing with your date
Hey join up hands, make a ring, circle left you can travel
Left allemande and you weave.
Even though the pain and heartache seem to follow me wherever I go
Though I try to hide my feelings, girl, they always seem to show.

FIGURE

Hey now those heads [sides] promenade, roll it half way around there.
Come in and square through four, go all the way, now.
A right and left through, you veer to the left and ferris wheel
Come on and square through now, count 'em 3/4 round
You gotta swing the corner girl and promenade.
Tell me why, girl. Why is it so?

BREAK

Well now the 4 girls promenade one time around
Come back and swing with your date
Join up hands, make a ring, circle left you can travel
Left allemande and you weave.
And every time I think I've had enough, I start headin' for the door
But there's a fairly strange vibration piercing me right to the floor.

CLOSER

Well now 4 boys promenade one time around
Come back and swing with your date
Join your hands, circle left in a ring left you wanna go
Left allemande and you weave.
Never say goodbye, never, never say goodbye; oh, oh, baby.
Tell me why, girl. Why is it so?
Tell me why. Why is it so?
