Ken Burke

Before All the Streets Were Paved

RIVCD - 270

OPENER

Let's Circle Left

Oh Grandfather, tell me how it was when you were young

Was the world so very old when your life had just begun

Reverse it back, lets Circle Right go 'round

Drop hands, Single File, Promenade that town

Oh Grandfather, tell me is it true you worked the land?

Boys step up beside your girl, Promenade her home

Before time was only money and machines made man a slave

Was the world all milk and honey before all the streets were paved?

FIGURE

Heads [sides] go Forward up and Back

Same pair Do Sa Do one time go back to back

Everybody Face your partner Do Sa Do one time

Same partner there Reverse your Do Sa Do

Four men Star by the Left go inside the ring

Keep your star Pick up your girl, you Promenade her home

Before time was only money and machines made man a slave

The world was milk and honey before all the streets were paved

MIDDLE BREAK

Grandson, I'll tell you how it was when I was young

The world was full of wonder in my first days in the sun

Reverse it back, Circle Right, go walkin' 'round a while

Drop hands Single File, Promenade in style

Don't let time be only money and machines make you a slave

Boys step up beside your girl and Promenade

Yeah, there's more to time than money, there's more to treasure than to save

So taste that milk and honey before all the streets are paved.

CLOSER

Grandson remember in the days that are to come

One thing I will tell you before my life on earth is done

Here's where you Circle to the right, go walkin' 'round in style

Drop hands single file promenade around a while

Don't let time be only money, don't let machines make you a slave

Boys step right up, all will Promenade

Yeah there's more to time than money, more to treasure than to save

So taste that milk and honey before all the streets are paved.
