You Made a Wanted Man of Me

- OPENER** Circle Left. I used to want no ties to bind me
The only love I took was free
Left Allemande, you do a Do Sa Do
Left Allemande, and Weave the Ring
You made a wanted man of me
Swing your girl and Promenade
You set your sights on making sure I don't go free
You made a wanted man of me
- FIGURE** Head couples Promenade go halfway
Lead right and Circle round the track
Break out and make a line, go forward & back
Pass the Ocean, Spin Chain Thru
Girls Circulate once, all turn thru
Swing the corner lady round and Promenade
You set your sights on making sure I don't go free
You made a wanted man of me
- MIDDLE
BREAK** Circle Left. I could have run and left you lonely
And looked for other hearts to steal
Left Allemande, you do a Do Sa Do
Left Allemande, and Weave the Ring
You made a wanted man of me
Swing your girl and Promenade
You set your sights on making sure I don't go free
You made a wanted man of me
- CLOSER** Circle Left. We faced each other in the court house
The judge pronounced us man and wife
Left Allemande, you do a Do Sa Do
Left Allemande, and Weave the Ring
You made a wanted man of me
Swing your girl and Promenade
You set your sights on making sure I don't go free
You made a wanted man of me
- TAG** You made a wanted man of me
