Pied Piper

OPENER / BREAK

Four ladies chain, you turn 'em around and chain them back home
Join up hands and you circle around you will fly
Allemande that corner girl and weave that by
Follow me, come on girl, Swing with your lady
Promenade them home, I'm the pied piper
I'll show you where it's at.

FIGURE

One and three [2 and 4] Square Thru
Four hands around the ring you will travel
Right hand star, you turn it around
Heads star left, full turn around, now
Right and Left Thru
Half Sashay, Swing with that corner
Promenade her that way, I'm the pied piper
I'll show you where it's at.
