One On One

OPENER

Tonight I'll be drinkin tequila
And toasin' to old Mexico
Listenin' to Waylon and Willie
And feedin' the fire down below
Allemande and Weave
From sunup to sundown
I'll paint this one-horse town
Swing with your girl and Promenade
I'll party on 'til this old heartache is
gone
Tonight makes it one in a row

FIGURE

Heads Box the Gnat then you'll Slide
Thru,
Swing Thru the outside pair, Spin the
Top
I'll party on 'til this old heartache is
gone
Tonight makes it one in a row

LAST FIGURE

Heads face, Grand Square
I'm not concerned with tomorrow
It's gonna be more of the same
Dancing on top of the tables
'Til I can't remember her name
Sides Square Thru 4 hands around
Swing your corner, Promenade
I'll party on 'til this old heartache is
gone
Tonight makes it one in a row

MIDDLE BREAK

It's only been twenty-four hours
Since my baby walked out on me
If everything's right, I will make it
tonight
'Cause I've got a sure remedy
Allemande and Weave
From sunup to sundown
I'll paint this one-horse town
Swing with your girl and Promenade
I'll party on 'til this old heartache is
gone
Tonight makes it one in a row

CLOSER

Hey Bartender break out the bottle
I don't need no salt or no lime
Just keep 'em comin' 'til my body's
numb
And she's no longer here on my mind
From sunup to sundown
I'll paint this one-horse town
I don't give a darn if anyone knows
I'll party on 'til this old heartache is
gone
Tonight makes it one in a row

TAG
