## *Sweet Summer Breeze*

### **OPENER, BREAK, CLOSER**

Circle now. Sweet summer breeze\*

Let me fly like the wind through the trees

Now Allemande Left that corner

Turn the partner by the right

And the men Star Left and you roll it round tonight

Turn partner right, you go Left Alemande

Swing your girl, Promenade the land

And sing, sing a song for me

Let me feel that sweet summer breeze

### **FIGURE**

Now the heads [sides] Square Thru, get me four hands and go

Do Sa Do the corner girl

Why don't you Swing Thru tonight, let a boy Run right

Bend the Line, Right and Left Thru

Pass the Ocean and you Fan the Top

Slide Thru, Swing the Corner, Promenade

Well sing all night long

The words of a sweet summer song

### **\*Alternate Lyrics**

Sweet summer breeze

won't you dance in the morning dew with me

Sweet summer breeze

take me home to the place that I please
