WORKIN'

OPENER, BREAK, CLOSER

Circle left.

Workin' on a building, workin' in a mine*
Workin' on a railroad up and down the line
Men Star by the Right, one time here we go
You find the corner, Allemande Left and Weave it you go
I've got two hands and a back that's strong**
Put 'em in a rhythm, sing a workin' man's song
I've been workin' since the dawn of time
Anybody workin' is a friend of mine.

FIGURE

Heads [sides] Promenade, go half around the ring
Down the middle, Pass the Ocean, and then Extend
Swing Thru and don't stop, Spin that ol' Top
Move up and Right and Left Thru there pop
You Flutterwheel and when you're there
Boys Walk across, Swing the girl and Promenade.
I've been workin' since the dawn of time
Anybody workin' is a friend of mine.

ALTERNATE LYRICS

*Circle left. Kiss my woman goodbye, I'll be leavin' soon.

Workin' at a square dance to those fiddle tunes.

**Workin' on a big rig, hands on the wheel

Loadin' up the trailer with three tons of steel

*Circle left. Savin' up for college, or a rainy day.

Raisin' up the children, keep a workin' a way.

**Doin' what I can to keep the wolf from the door

Workin' like my father and his father before.
