## *In the Mood*

- OPENER** Sides Face, Grand Square  
Who's the lovely lady with the beautiful eyes  
What a pair of lips; I'd like to try 'em for size  
I'll just tell her, baby won't you swing it with me  
Hope she tells me maybe, what a swing it would be  
Four ladies Chain, turn a girl around  
You Chain 'em on back and Promenade around  
So I said politely, darlin' may I intrude  
She said don't you keep me waiti'n while I'm in the mood.
- FIGURE** Heads [sides] Square Thru and get me four hands around  
Make a Right Hand Star and turn the star and go round now  
The Heads Star Left... boogie heads  
To the same girl both hands Single Circle he said  
Rare back and Star Thru then Roll to face  
Swing that girl around and you Promenade I said  
So I told her, baby don't you know that it's rude  
To keep me here a waitin' when I'm in the mood.
- BREAK** Sides Face, Grand Square  
In the mood, be mine forever  
In the mood and leave me never  
In the mood give me some kissin' now  
Won't be long now before you know I'm in the mood now  
Four ladies Chain, turn a girl around  
You Chain 'em on back and Promenade around  
In the mood, Oh what I'm missin'  
It won't take me long to say I'm in the mood now
- CLOSER** Sides Face, Grand Square  
In the mood, that's what she told me  
In the mood and when she told me  
In the mood my heart was skippin'  
Didn't take me long to say I'm in the mood now  
Four ladies Chain, turn a girl around  
You Chain 'em on back and Promenade around  
In the mood, my visions hazy  
Didn't take me long to say I'm in the mood now
- TAG** It didn't take me long to say I'm in the mood now.
