It'll Come to Me

OPENER, BREAK, CLOSER

Four Ladies Chain across you know
You Roll Away, Circle Left you go
Four ladies Roll Away, Circle again
Left Allemande, hey Weave that ring
The push and pull, the give and take*
Swing that girl, Promenade I say
Whatever it is that's meant to be
Sooner or later it'll come to me.

FIGURE

The heads [sides] Promenade, take 'em halfway you know
Square Thru and get me four hands, you go
All the way go Right and Left Thru
Veer Left, now the couples Circulate, you do
Do a Half Tag, Scoot Back for me
Swing that corner lady 'round, Promenade her you see
Whatever it is that's meant to be
Sooner or later it'll come to me.
