## *Same Old Reason*

### **OPENER, BREAK, CLOSER**

Sides face, Grand Square.

I asked a wise old owl in the old oak tree\*

If he knew about this feeling that's been coming over me

He gave me a wink and then he nodded his head

You could have knocked me over when he said, Allemande  
and Weave.

We'll it's the same old reason that I can't sleep at night

It's the same old reason that I can't eat a bite.

It's the same old reason that the moon's up above

It's love, love, la la la love.

### **FIGURE**

The heads [sides] make a Left Hand Star, you turn it 'round.

To the corner make a Right Hand Star.

Heads Star Left and roll it all the way back.

Find the corner, Touch a Quarter.

Scoot Back, go boys, Scoot Back, go girls.

Star Thru and Promenade that old world.

It's the same old reason that the moon's up above

It's love, love, la la la love.

### **\*ALT LYRICS**

Well, I didn't want to listen to an owl in a tree

So I had my family doctor come and visit with me

I asked if he knew why I was sick and in bed

He took one look and then he said, Allemande and Weave.

The doctor said the same as the owl did before

So I thought I'd put the question to the girl next door

She gave a big hug and a kiss to me

She said, "My darling," Allemande and Weave.
