Singing Your Song

OPENER, BREAK, CLOSER

The four little Ladies Chain, gonna turn the girl around
Then you Roll her Away, Circle Left
Why, Roll her Away, then Circle the ring
Do an Allemande Left that corner, Weave that ring
Swing your girl, Promenade
All I want to do is lay the blame where it belongs
Listen while I'm singing your song.

FIGURE

Head [side] couples Square Thru four hands you go
Out to the corner girl, then Do Sa Do
Join both hands, now Single Circle, make a Wave
Now, boys Trade and then Spin the Top
Slide Thru, Pass Thru and you go Left Allemande
Swing a new girl, Promenade go 'round the land
All I want to do is lay the blame where it belongs.

TAG

Ah, now listen while I'm singing your song.
