Waltz Across Texas

OPENER, BREAK, CLOSER

Circle now.

When we dance together my world's in disguise.*

It's a fairyland tale that comes true.

Left Allemande that corner, Turn the partner by the Right,
And the Men Star Left around you do.

Turn the partner Right, then you go Left Allemande.

Swing your girl and Promenade.

When you look at me with those stars in your eyes,**

I could waltz across Texas with you.

FIGURE

Those heads [sides] Promenade, go half way around.

Walk in and Square Thru to four, go all the way around now.

Make a Right Hand Star and turn it half way around.

As a couple Veer to the Left, Couples Circulate.

Chain Down the Line, but turn her 'till you can Promenade.

When you look at me with those stars in your eyes.

I would waltz across Texas with you.

TAG

I would waltz across Texas with you.

ALTERNATE LYRICS

*My heartaches and troubles are just up and gone
The moment that you come in view.

**Like a storybook ending I'm lost in your charms
And would waltz across Texas with you.
