## *That's the Way I Like It*

### **OPENER/BREAK/CLOSER**

[Circle Left]

When you take me by the hand,  
And tell me I'm your lovin' man,  
Men Star Right and you roll it around,  
Allemande that corner lady, Weave around.  
Ooh, That's the way, I like it.  
Promenade your lady, go 'round that ol' ring.  
That's the way, I like it,  
That's the way...

### **BREAK LYRICS**

When I get to be in your arms,  
And we're all lost in your charms.

### **CLOSER LYRICS**

When you whisper sweet in my ear,  
And tell me, oh, I love you, dear.

### **FIGURE**

Heads Square Thru and go 4 hands around.  
Then you make a Right Hand Star.  
Heads Star Left, turn it once from there.  
To the same two, now Touch 1/4.  
Scoot Back, Scoot Back again.  
Star Thru and Promenade.  
That's the way, I like it,  
That's the way...
