## *Brothers of the Highway*

### **Opener**

Sides Face, Grand Square.

Diamonds on the windshield as heaven starts to cry;

In his rear-view mirror, his angel waves goodbye.

She know he's got to go; she knows he's one of them.

Brothers of the highway, children of the wind.

Four Ladies Promenade, now, one time go 'round.

Swing your girl, boys, and Promenade, go down.

That Detroit Diesel pirate ship is rollin' out again.

Brothers of the highway, children of the wind.

### **Figure**

Now heads [sides] Square Thru, four hands around you go.

Out to the corner girl, now, Do Sa Do.

Swing Thru, now, don't stop, Spin the Top

Boy move up, Square Thru 3/4, pop.

When you're all facin' [lookin'] out, Chase Right.

Swing the corner girl around now you Promenade tonight.

Carolina west to Denver, Baton Rouge east [up] to Pittsburg\*

Portland south to San Diego; sail on, sail on.

### **Break, Closer**

Four Ladies Chain, turn 'em with an arm around, now.

Roll Away and then Circle around.

Roll her Away and then Circle the ring.

Allemande that corner gal and you Weave around the ring [I sing].

Another shot of truck stop coffee runnin' through his veins,

Do Sa Do and Promenade her go 'round again.

Headin' [sailin'] for the settin' sun, freedom's your best friend,

Brothers of the highway, children of the wind.

**Tag:** Brothers of the highway and children of the wind.

\***Alternate Lyrics** (2nd and 4th repetitions)

Tallahassee north to Boston, up to Bangor west to Austin.
