All I Have to Do is Dream

Opener / Middle Break:

Circle Left.

When I want you in my arms, when I want you and all your charms.*
Left Allemande and Do Sa Do, Allemande that corner and Weave the ring.
When I feel blue in the night, Swing your own and all Promenade.
Whenever I want you, all I have to do is dream, dream dream, dream.

***Lyrics for Middle Break:**

I need you so that I could die, I love you so and that is why.

Figure 1-2:

Heads (sides) Pass Thru, Separate around just one.
Make a line, go forward eight and back, Pass Thru,
Ends Cross Fold, Do Sa Do once around, do an Eight Chain 4.
When I feel blue in the night, Swing your corner and all promenade.
Whenever I want you, all I have to do is dream, Dream dream, dream.

Figure 3-4:

Sides [heads] Face, Grand Square.
I can make you mine, taste your lips of wine,
Anytime night or day. Only trouble is, gee whiz,
I'm dreamin' my life... Sides Square Thru.
When I want you in the night, Swing your corner and all Promenade.
Whenever I want you, all I have to do is dream, dream, dream.

Closer:

Four ladies Promenade go inside of the ring.
Well, back home Box the Gnat and give her Swing.
All join your hands, Circle to the left this way.
Allemande that corner girl and Weave the ring.
When I want you in my arms, Swing your own and all Promenade.
Whenever I want you, all I have to do is dream, dream, dream, dream.
