Turn On Your Light And Let It Shine

OPENER, MIDDLE BREAK:

Four Ladies Chain, go straight across the ring.
Turn and Chain those ladies home I sing.
Join your hands and ring up eight, Circle Left that way.
Left Allemande and Weave around I say.
Why don't you turn on your light and let it shine.
Swing your own and you Promenade so fine.
Be a beacon in someone else's life.
Turn on your light and let it shine.

FIGURE:

Heads Pass Thru, Separate, go around one.
Make a line, go forward up and back, Pass Thru.
Do a Half Tag, Swing Thru, that's fine.
Boys Run Right and Girls Trade, Bend the Line.
Square Thru, get me three.
Swing a little corner girl and Promenade her home.
Be a beacon in someone else's life.
Turn on your light and let it shine.

CLOSER:

All the Boys Promenade once inside the ring, go.
Get on home and Swing her high and low.
Join all of your hands and then you Circle to the Left.
Left Allemande, you're gonna Weave around the set.
Why don't you turn on your light and let it shine.
When you meet, you Swing her around and Promenade so fine.
Be a beacon in someone else's life.
Turn on your light and let it shine.
