## Honky Tonk Song

### OPENER

Sides Face, Grand Square.  
I got me a room in a cheap hotel.  
My head was a spinnin' and I didn't feel well.  
I laid right down and tried to go to sleep.  
A band kept a playin'.  
Allemande Left and Weave the ring... in a joint underneath.  
Honky tonk all night long, honky tonk.  
Swing and Promenade... same old song.  
I picked up my pillow and I covered up my head.  
But the band kept a playin' and a shakin' my bed.

### FIGURE

Heads [sides] Promenade outside, go half way.  
Walk in and Half Square Thru, I say.  
Box the Gnat with your date, make a wave, Boys Trade.  
Box the Gnat with this maid, make a wave, Girls Trade.  
Girls Run, Bend the Line, Girls Walk, Boys Dodge.  
Boys Walk, Girls Dodge, Swing and Promenade.  
I picked up my pillow and I covered up my head.  
I turned and I tossed and I couldn't go to sleep.  
But the band kept a playin' and a shakin' my bed.  
'Cause the band keeps a playin' with a honky tonk beat.

### BREAK

Sides Face, Grand Square.  
Well I'm so blue; my baby's gone.  
She took all my money and left me all alone.  
I'm tryin' to forget her, but I don't know what to do.  
The honky tonk song...  
Allemande Left and Weave the Ring... keeps a leakin' through.  
Honky tonk my money's all gone, honky tonk.  
Swing and Promenade... she done me wrong.  
I turned and I tossed and I couldn't go to sleep.  
'Cause the band keeps a playin' with a honky tonk beat.

### ENDING

Four Boys Promenade, go all night long.  
Come back home and Swing your Partner with the same old song.  
Join your hands and Circle Left, go walkin' and talkin' around.  
Left Allemande with your corner and Weave around the ring.  
Honky tonk, my money's all gone, honky tonk.  
Swing and Promenade... she done me wrong.  
I turned and I tossed and I couldn't go to sleep.  
'Cause the band keeps a playin' with a honky tonk beat.

### TAG

'Cause the band keeps a playin' with a honky tonk beat.
