I'll Do It All Over Again

Opener:

Sides Face, Grand Square.

Was I right; was I wrong?

A little too weak; a little too strong?

Was it her; was it me?

— Oh, I guess, I'll — Allemande Left and Weave.

Well, you're up, then you're down.

Swing your own and all Promenade.

Ain't it hard, to find somethin' to hang on to?

Figure:

Heads (sides) Promenade 1/2 way around.

Sides (Heads) do a Right and Left Thru, you know.

Square Thru, four hands around you go.

Dosado and 8 Chain Four.

But I know that my heart will mend.

Swing your corner, Promenade.

I'll get back on my feet and then.

I'll do it all over again.

Middle Break, Closer:

Sides Face, Grand Square.

Some you lose, some you win.

They say that's the way it's always been.

First you laugh, then you cry.

— Oh, but — Allemande Left and Weave.

So you live, and you learn.

Swing your own and all Promenade.

And you change, somehow,

Oh, I'm a little bit wiser now.
