It's a Great Day to Be Alive

Opener: Circle Left. I've got rice cookin' in the microwave.
Got a three day beard I don't plan to shave.
Left Allemande and Turn the partner right.
Left Allemande and Eave.
And it's a great day to be alive.
I know the sun's still shining when I close my eyes.
There's some hard times in the neighborhood.
But why can't every day be just this good.

Figure: Heads Promenade just halfway with your maid.
Walk in and Pass the Ocean, then Extend, Single Hinge.
Centers Trade, Swing Thru, Centers Run and Tag the Line,
All face in, Touch 1/4, and Boys Run Right.
Swing your corner and Promenade.
There's some hard times in the neighborhood.
But why can't every day be just this good.

Middle: Sides Face, Grand Square.
Yeah, I think I'll make me some homemade soup.
I'm feelin' pretty good and that's the truth.
It's neither drink nor drug induced, no,
I'm just doin' alright.
All four ladies Promenade inside of the ring now.
Get back home, Swing and all Promenade.
There's some hard times in the neighborhood.
But why can't every day be just this good.

Closer: Circle Left. It's been fifteen years since I left home,
And said good luck to every seed I'd sown.
Left Allemande and Turn the partner Right.
Left Allemande and Weave.
And it's a great day to be alive.
I know the sun's still shining, when I close my eyes.
There's some hard times in the neighborhood.
But why can't every day be just this good.
